LETTER FROM THE PASTOR

ERIK DAVIDSON

As I sit down to write this article, I do so with a sense of nostalgia and wonder. It has now been 8 years since you called me to be your pastor here at Lyndale. These past 8 years have been wonderful and at times a bit challenging.

Caroline and I fell in love with the people of this congregation and the basic DNA of the church. Lyndale has always been mission minded and focused on those in our community. This has always been my heart and passion for the Lord and His kingdom. Of course, things have been difficult these past couple of years with Covid and having to be careful working with groups of people. However, we are coming out on the other side and the future is bright.

However, as we move forward, we are in a very good place. We are looking at how we can reclaim our passion and DNA as well as look at ways to focus on the future of our congregation and the mission of the church. We have begun this process with our Revision/Revitalization Team, and at the last business meeting we discussed where we are in the process and what steps we can take moving forward. I am excited that we are willing to move forward and focus on where God is leading us.

LETTER FROM THE PASTOR

(continued)

The next several months are going to be crucial to the vitality of our congregation. We need everyone to be in prayer for God's guidance and leadership. The Team has been tasked with finding outside help to guide us through the process. We ask that you be in prayer for the Team and for what your part might be as we move forward in this process. At the business meeting, we asked everyone to pray at 9 pm every night so that we might all be in prayer at the same time about the same thing.

This is an exciting time in the life of our church. I hope that you are as excited as I am about the future God has set for us.

In Christ,

Erik
